LEADER ■ ENTREPRENEUR ■ INNOVATOR

MEC

CIVIL ENGINEERING

MEC signifies the **Rise** of the New Engineer. A new paradigm made possible by a historic collaboration involving the Mahindra Group, École Central Paris (now CentraleSupélec) and Jawaharlal Nehru Technological University Hyderabad (JNTUH). MEC's global pedigree, industry focus, unique pedagogical model, world-class faculty and outstanding facilities are designed to set the college's engineering graduates apart, from even the most reputed Indian engineering institutions of the modern day.

The **Civil Engineering** program has been in existence since the inception of MEC in 2014. CE faculty are committed to delivering knowledge and expertise across a wide spectrum of subjects and are actively involved in research that caters to the societal needs in general. Besides high quality teaching and research, the department is actively involved in Consultancy, in collaboration with several companies.

FACE 2019

The National Conference on **Futuristic Approaches in Civil Engineering (FACE-2019)** aims to bring together researchers, engineers, scientists and industry professionals to an open forum to foster active discussions on the latest advances in the field of civil engineering. The conference will offer a platform to explore and share ideas in wide-ranging areas of civil engineering. Broadly the areas include, Smart infrastructure, Sustainable materials, Disaster Management, Computational Modeling, Waste management, Climate Management, Renewable energy and Non-destructive methods will be emphasized. The exciting program will feature invited speakers from government and private sectors as well as offer panel discussion, case studies, product demonstrations, and technical paper sessions.

We cordially invite you to submit your scientific contributions to the FACE-2019 conference.

Keynote Speakers

Dr. Satish Chandra
Director, CSIR-CRRI
New Delhi

Dr. N. Gopalakrishnan
Director, CSIR-CBRI
Roorkee

Dr. Ligy Philip
Professor,
IIT Madras

Dr. K.V.L. Subramaniam
Professor,
IIT Hyderabad

Dr. B. Umashankar
Associate Professor,
IIT Hyderabad

Chief Patron

Dr. Yajulu Medury
Director - MEC

Patrons

Dr. Bishnu P Pal
Dean - Academics,
MEC

Dr. Arya K Bhattacharya
Dean - Research,
MEC

Dr. Prabhakar Singh
Coordinator,
Civil Engineering,
MEC

Advisory Committee

- Prof. M.R. Madhav, IITH & JNTUH
- Prof. S. K. Bhattacharya, IIT Khargapur
- Prof. N V Ramana Rao, NIT Warangal
- Prof. Sanjaykumar Shukla, ECU, Australia
- Prof. S. Kumar, Al-khalifa university, UAE
- Prof. KV Krishna Rao, IIT Bombay
- Prof. Sireesh Saride, IIT Hyderabad
- Prof. K S Raju, BITS Hyderabad
- Prof. Chendra Sekhar, NIT Warangal
- Prof. CSRK Prasad, NIT Warangal
- Prof. V. Padmavathi, JNTU Hyderabad
- Dr. Shashidhar, IIT Hyderabad
- Dr. Dasaka Murthy, IIT Bombay
- Dr. Suriya Prakash, IIT Hyderabad
- Dr. Digvijay pawar, IIT Hyderabad
- Dr. P. Harikrishna, NIT Warangal
- Dr. K. Venkata Uday, IIT Mandi
- Dr. Hariprasad Reddy, NIT Warangal
- Dr.V. Vinayaka Ram, BITS Hyderabad
- Dr. M.V. Ravi Babu, NIRD Hyderabad
- Dr. Anasua Guharay, BITS Hyderabad
- Dr. Sridhar Pilli, NIT Warangal
- Dr. Giridhar Rajesh, NIT Andhra Pradesh
- Mr. T. Someshwar Rao, EGIS India, Hyderabad
- Mr. K. Sreenivasa Rao, AARVEE associates, Hyderabad
- N. Madhava Reddy, Eclat Engg Consultants, Hyderabad

Convenors

Dr. Saladi SV Subbarao
Assistant Professor, MEC

Dr. Hariprasad Chennarapu
Assistant Professor, MEC

Co Convenors

Dr. Deepti Avirneni
Assistant Professor, MEC

Dr. Arun Narayanan
Assistant Professor, MEC

Important Dates

Full paper submission:	20th April, 2019
Notification of Acceptance:	7th June, 2019
Revised paper submission:	20th June, 2019
Last date for registration:	10th July, 2019

*** Please visit www.mecface2019.com for more updates.**

Futuristic Approaches in Civil Engineering

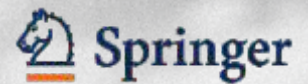

FACE

THEMES

- Smart infrastructure
- Sustainable materials
- Disaster Management
- Computational Modeling
- Waste management
- Climate Management
- Renewable energy
- Nondestructive methods

Conference Proceedings:

- Selected papers from the conference will be published by Springer as a proceedings book volume. Springer will conduct quality checks on the accepted papers and only papers that pass these checks will be published.
- Outstanding papers will be recommended to innovative infrastructure solutions journal (indexing: ESCI and Scopus)

Note:

The paper is accepted on the understanding that at least one author will be registering to attend for presenting maximum of two papers at the Conference

PARTICULARS

PARTICIPATION

This conference is open to practicing engineers from Government bodies, Private organizations, Consultants, Faculty members and Students from various institutions.

NOTE

Registration fee includes access to all conference sessions, material, registration kit, certificate, lunch, tea & banquet dinner.

> REGISTRATION FEE

Students/ Research Scholars	-	3000 INR
Academicians	-	5000 INR
Govt./Industry sponsored delegate	-	6000 INR
International delegates	-	10000 INR
